**ORDER**

Before the Court is Plaintiff KAIFI LLC (“KAIFI”) and Defendants Verizon Communications Inc.; Cellco Partnership D/B/A Verizon Wireless; Verizon Services Corp.; Verizon Enterprise Solutions LLC; Verizon Business Global LLC; Verizon Business Network Service LLC; Verizon Corporate Services Group Inc.; Verizon Data Services LLC; Verizon Media Inc.; and Verizon Online LLC’s (collectively, “Verizon”) Joint Motion to Consolidate Claim Construction Hearings and to Amend DCO for Claim Construction Briefing (Dkt. No. 52) (the “Motion”). In the Motion, the parties request their claim construction hearing be consolidated with the hearing in *KAIFI LLC v. T-Mobile US, Inc.*, Case No. 2:20-cv-00281 (the “*T-Mobile Case*”), set to take place before the Honorable Roy S. Payne on June 3, 2021. The parties agree that consolidation will enhance efficiency, avoid duplicative efforts, and conserve judicial resources, because the plaintiff is the same in both actions and there are only two additional issues

in the above-captioned case that will not already be addressed in the hearing for *T-Mobile* Case. Regarding those two additional issues, the parties request the Court amend the Docket Control Order (Dkt. No. 43) to adopt an accelerated briefing schedule. The parties further represent that the defendants in the *T-Mobile* Case support this consolidation.

Having consider the Motion, and noting its joint nature, the Court finds that it should be and hereby is **GRANTED**. Accordingly, it is **ORDERED** that the above-captioned case is **consolidated** with Case No. 2:20-cv-00281 and **referred** to the Honorable Roy S. Payne for the limited and sole purpose of conducting the Claim Construction hearing on June 3, 2021, issuing a resulting Claim Construction Opinion, and taking such other related steps as are deemed necessary by Judge Payne to facilitate and expedite the Claim Construction process. It is further **ORDERED** that the Docket Control Order in the above-captioned case (Dkt. No. 43) is **amended** as follows:
